

Earl of Holderness of Philadelphia, was sailed
Dublin for Waterford and Cork, there to
Provisions for this Place also.
Friday last his Majesty's Ship the Garland, Capt.
Annot, of 20 Guns, arrived at Sandy Hook
Virginia; and after putting on board one
Pilot, the Honourable Col. Philip Ludwell,
member of his Majesty's Council in that Pro-
vince, as also Col. Philip Ludwell Lee, set Sail
Halifax. These Gentlemen, we hear, are
to wait the Arrival of Lord Loudon, and
the Name of the present Governor and Council
Virginia, to congratulate his Excellency's Ap-
pointment of Commander in Chief of that Colony.
Saturday last Capt. Kip arrived here in 25
Days from Coracoa, and informs us, That three
Days before, off Long-Island, in 70 Fathom Wa-
ter, the four Topfail Vessels, two of them
very large, and three or four Sloops, which he
imagined were bound in here
The same Evening, Mr. Lewis Evans, Au-
thor of the Map of the Middle British Colonies in
America, died here, after a lingering Indisposition.
A French Man, taken about three Weeks ago
Capt. Rogers, arrived Yesterday Morning
a Sloop from Albany: By several Passengers
at came in said Sloop we learn, That Lieut.
Lowe, (of Capt. Thody's Company of Provincials
the Pay of this Province) with ten Men, went
up the River in two Batoes, at a Place called
Mill-Water, to catch some Hogs they saw feeding
on the opposite Side; that they were surprised by
Number of Indians; that Lieut. Lowe, with
three others, were soon shot down and scalped,
more taken Prisoners, and only one of the
party escaped.

The North-Carolina Officers, and their Men,
that were encamped on Kennedy's Island, are all
unmanned for Albany.

We hear that Orders were issued last Week for
all Officers in this City immediately to repair to
their Posts.

PHILADELPHIA, June 10.

We hear that his Majesty has wrote a Letter of Thanks
to General Shirley for his Services: That Lord Loudon,
with Four Thousand Troops, might be expected at New-
York soon after the Packet: And that the Command of the
Army devolves on General Webb till his Lordship arrives.
The Packet left Falmouth the Fifteenth of April.

Extract of a Letter from Cumberland County, dated May 31.

"On Wednesday, the 26th Instant, a Number of Indians
came to the Plantation of John Walton, in Peter's Township,
where they killed, and mangled in so horrid and cruel a Manner,
that a Regard to Decency forbids describing it, and afterwards
burnt his House, and carried off his Wife. A Party of Mi-
sieurs Porter and Steel's Men went out after the Enemy, but in
no Purpose. On the 27th, about Two o'Clock in the Afternoon,
the Wind at North-East, rose to a most terrible Gust of Wind,
such as the oldest Man in these Parts never saw before, some of
which measured seven Inches in Circumference. It has almost
ruined these of my Neighbours on whose Plantations it fell,
having totally destroyed their Fall and Spring Crops.

June 17. We have Advice from Carlisle, that on Friday
Night last Captain Bigham's Fort, in Tuscarora Valley, was
destroyed by the Indians. There is no particular Account
come to hand, only in general it is said that all that were in
it are either killed or carried off; and that a Woman big
with Child was found dead and scalped near the Fort, man-
gled in a most shocking Manner.

Extract of a Letter from Bethel Township, in Lancas-
ter County, dated June 9.

"Yesterday, in the Afternoon, between 3 and 4 o'Clock, five
or six Indians made an Incursion at a Place called the Hill,
where the Great Swatara Creek runs through the Blue Mountain.
They crept up unobserved behind the Fence of Felix Wunsch, and
shot him at he was ploughing through the Breast. He cried la-
mentably, and ran, but the Indians soon came up with him. He
defended himself some Time with his Whip, but they cut his Head
and Breast in a cruel Manner with their Tomahawks, and scal-
ped him. His Wife bearing his Cries, and two Shot, ran out
of the House, but was soon taken by the Enemy, who carried her
with one of her own, and two of her Sister's Children, away
with them, after setting the House on Fire. A Servant Boy
who was at some Distance, seeing this, ran away to their Neigh-
bour, George Mies, and told him what had happened. Upon
which Mies, who had a bad Leg, went with his Son a-
gainst the Indians, and set up a great Noise, which
frightened the Indians, that they immediately took to their Hides,
and in their Flight left a Tub of Butter, and a Side of Bacon
behind them. Mies then went to the House, which was in
Flames, and threw down the Fence, in order to save the Barn.
They drank all the Brandy in the Spring-house, and took several
Gallons, a Quantity of Meal, some Lard, and a great many
other Things with them; and if said Mies had not been so
courageous, they probably would have attacked another Neigh-
bour. They sent one of the Horses in the Plough, and dropt a large
French Knife.

We hear that since the above Murder was committed,
about 20 Families have gone into Smith's Fort, which is but
a Mile and a Quarter from where Wunsch lived, and that
more were expected in: And that they had sent a Party from
said Fort after the Enemy, but to no Purpose.

We have Advice from Fort Henry, in Berks County, that
two Children of one Lawrence Duppell (who lives about
two Miles from said Fort) are missing, and thought to be
carried off by the Indians, as one of their Hats has been
found, and several Indian Tracks seen.

ANNAPOLIS.

ANNAPOLIS, June 24.

Capt. Jehoshaphat Rawlings, in the Ship Severn,
arrived in Severn River, last Friday, from London,
in a Passage of 9 Weeks. By him we have an
Account of the Death of the Honourable Edmund
Jennings, Esq; late of this Place, at Bath, after
a lingering Illness; a Gentleman, who was emi-
nent in the Profession of the Law, many Years
one of his Lordship's Council of State, and Secre-
tary of this Province.

Capt. Richardson, who arrived here on Monday
last, in the Ship Lux, from London, was, in a
violent Gale of Wind, drove into 6 Feet Water,
on a Bar at Thomas's Point, where she now lies
a-ground; but it is hoped she will be got off
without receiving any Damage.

On Tuesday last, about four o'Clock in the
Afternoon, we had a violent Gust of Lightning,
Thunder, Wind, and Hail, which lasted about
an Hour: The Lightning struck the Court-House
in this City, which set it on Fire; but it being
immediately discovered, and by the timely Affis-
tance of the Inhabitants and the Fire-Engine, it
was soon extinguished, with little or no Damage.
And we hear from several Parts of the Country,
that the Wind has done considerable Damage, by
blowing down many Out-Houses, Fences, and
Numbers of large Trees.

The same Day arrived in South-River, the Ship
Betsey, Capt. John White, after a Passage of twelve
Weeks.
